BACHELOR OF COMPUTER SCIENCE, CHARLESTON SOUTHERN UNIVERSITY

Currently working on my degree with the current status of a 2.87 GPA (2.92 in Comp. Sci. related classes) with 74 completed hours.

SKILLS

- Skilled in most popular computer applications, including Microsoft, Adobe, and any Apple app
- Able to troubleshoot most, if not any, problems for Apple and Windows devices
- Proficient in any communication scenario
- Well organized and prepared for most scenarios
- Capable of leadership of massive groups, with the largest handled being a group of 700 high school students

ACTIVITIES

One of my favorite things to do in my spare time is graphic and image editing and design inside of Adobe's various products. I am musically inclined as I play guitar and sing for my church, but I have also mixed music professionally in a live setting. I also am a magician gifted in both close-up slight-of-hand and stage performance.
